Hotel details

This hip hotel in a restored 18th-century palace is 2 minutes' walk from the seaside, and within 2.1 km of both the Procida ferry port and the fishing village of Corricella.

The chic rooms and suites feature minimal design with a stark, monochrome palette. They come with free Wi-Fi, minibars and satellite TV. Most have private patios; some rooms have garden and/or pool views and a suite has a sea view. Room service is available.

Free breakfast is served in a restaurant with a terrace and wines made on-site. There's also a cafe, parking (fee), a spa, and a seasonal outdoor pool with a bar. Island tours and a local shuttle are available (fee).
